**Give a little.
Help a lot.**

Your compassion helps those in need in Guatemala.

Every gift you give helps a child thrive, brings hope to a family and rebuilds a community.

When you give, you help fill the bellies of young children so they can study hard in school. You help parents keep their children warm at night in secure homes with beds and stoves. You help mothers and babies receive nutritional care and health exams.

When you give, the poor find safety and receive emergency assistance. Families educate their children for a better future. And women find dignity in opportunities for savings and training.

You can make an immediate lifesaving difference and give hope to children, parents, and the elderly in Guatemala—ensuring that even during the pandemic the most vulnerable people are taken care of.

For more than 5 years, Heart to Heart Experience has been providing outreach and compassion to the very poorest of our brothers and sisters in Guatemala. And it's because of you.

We can't do this lifesaving work without your help—especially during the COVID-19 health crisis.

Please make a generous gift today. Or consider a monthly donation to make an impact all year long. Give a little. Help a lot.
