HEART TO HEART EXPERIENCES

THE BIG GIVE 2023

Your compassion helps those in need.

Every gift you give helps a child thrive, brings hope to a family and rebuilds a community.

When you give, you help fill the bellies of young children so they can study hard in school. You help parents keep their children warm at night in secure homes with beds and stoves. You help mothers and babies receive nutritional care and health exams.

When you give, the poor find safety and receive emergency assistance. Families educate their children for a better future.

For more than 7 years, Heart to Heart Experiences has been providing outreach and compassion to the very poorest of our brothers and sisters in Guatemala. And it's because of you.

Please make a generous gift today. Or consider a monthly donation to make an impact all year long. Your donation will have a **big** impact in empowering the disadvantaged in Guatemala.
